

To Whom It May Concern:

I have become aware of your thoughts concerning LPFM to take priority over current FM translator services. I am faithful listener to KLOVE which could be overthrown by this decision. KLOVE is a station that affects me deeply. It helps me on many levels including emotional and spiritual. Our country seems to be in the thought process of getting rid of anything that talks about God. Now you are on that same track. This is one of very few stations that I don't mind my children listening to because I don't have to worry about subject matter and language. It stands for family values and I don't want to lose that. Please reconsider this decision and allow the hundreds of thousands of listeners to continue receiving this wonderful station. Thank you.
